Revised SHEET NO. 3

Black Mountain Utility District  
(Name of Utility)

CANCELLING P.S.C. KY. NO. Sep 17, 1997

8 SHEET NO. 3

- E.1. Multiple Users on One Meter. Where two or more tenants or occupants (of different rental units) of property, including duplexes, apartment houses, mobile home parks, trailer parks, or other multi-unit premises, are served by a single water meter, the rates and charges shall be computed by dividing the number of gallons of water registered by such single meter by the number of units being served by such meter and then applying the result thus obtained to the water rate schedule set out in Section 2 above, to arrive at the monthly bill. The owner or operator of the property has to pay the total monthly water bill for such property. In no event shall the monthly bill applicable to each unit be less than the minimum water rate stipulated in Section 2 above.
2. Bills for water and sewer services are due and payable at the office of the District, or to any designated agent, on the date of issue. The past due date will be the 15th day of the month after date of issue. Bills will be dated and mailed between the 25<sup>th</sup> and 30<sup>th</sup> of each month.
3. All bills not paid on or before the past due date shall be deemed delinquent. When a bill is deemed delinquent a 10% late charge will be added to the amount due. When a bill has been delinquent for a period of twenty days, the District shall serve the customer a written final notice of said delinquency, and of the intent of the District to discontinue service ten days after the date of such notice unless such bill is paid prior to the expiration of such ten days. If a delinquent bill is not paid within ten days after the date of such final notice (thirty days from the past due date) the water supply to the customer may be discontinued without further notice; provided, however, if, prior to the discontinuance of service, there is delivered to the District, or its employees empowered to discontinue service, a written certificate signed by a physician, a registered nurse, or a public health officer, that in the opinion of the certifier, discontinuance of service will aggravate an existing illness or infirmity on the affected premises, service shall not be discontinued for 30 days beyond the termination date.
- F. Where the water supply to the customer has been discontinued for non-payment of delinquent bills, a charge of \$25 will be made for reconnection of water services, but the reconnect will not be made until all delinquent bills and other charges if any, owed by a customer to the District have been paid.
